

“Financial Cycles”

Visiting Research Economist (VRE)

The VRE will undertake a research project on “**Financial Cycles**”. The research is envisaged to be an empirical study/survey of SEACEN economies. If need be, a survey can be conducted to gather information from SEACEN member banks/monetary authorities. The duration of the project is eight (8) months.

Prospective candidates should submit their application together with a cover letter, curriculum vita, application form and a two to three page research proposal detailing the project’s coverage and methodology. Applicants from SEACEN member central banks/monetary authorities should submit their applications through their respective member central banks/monetary authorities. For the Terms and Reference and application form, please see the attachments below.

All applications should be sent to the following e-mail address: hr@seacen.org by [15 April 2017]. Please indicate “VRE: Financial Cycles” in the subject header.
