**His Excellency Dr. Chea Chanto**

Governor of the National Bank of Cambodia

On the 25<sup>th</sup> Anniversary of the SEACEN Centre

On the occasion of the celebration of the 25<sup>th</sup> Anniversary of the SEACEN Centre, we at the National Bank of Cambodia would like to express our sincerest and wholehearted congratulations to the SEACEN Centre as well as the Center's leaders and staff for having performed efficient work for 25 years.

In recent years the SEACEN has played an essential role in providing opportunities to acquire the professional analytical skills needed to improve the capacity of our bankers to be more competent, productive, and responsive to our needs. SEACEN is the center of hope and opportunity. We strongly hope that the Center will continue expanding its good culture to member banks within the scope of research and training activities and the cooperation amongst member banks. A broadly inclusive and unified partnership of voices from throughout the region will ensure our advancement toward greater regional prosperity. SEACEN, we feel sure, will continue to represent the superlative merits of a sweeping commitment to ASEAN cooperation. Thank you very much.
