

Please accept my warmest congratulations on the occasion of the 25th Anniversary of the SEACEN Centre.

The SEACEN Centre has come a long way since its original inception. Over the last 25 years, the Centre has played a significant role in training many generations of central bankers across the region. Perhaps more importantly, it has provided a valuable platform where friendships and bonds amongst regional central bank counterparts are forged, many of which continue to flourish till today. .

I would like to take this opportunity to applaud the significant achievements of the Centre, and thank Bank Negara Malaysia in particular, for hosting the Centre all these years. Special tribute must go to all SEACEN Directors and staff, past and present, whose untiring efforts have made this Centre the fine institution it is today. I wish the SEACEN Centre continued success in all its future endeavours.

Yours sincerely,
HENG SWEE KEAT
